October 2011

Our first trees after 1 year
in the Groasis waterboxx

October 2010

The first Groasis Waterboxxs arrive in the Sahara in Morocco. Around Bivouac Le Petit Prince we started the planting using this new technique together with the local people.

Sahara-Roots Foundation: Tree planting project in Le Petit Prince, October 2011 – 2014: **Site 2** behind Restaurant tent

April 2014 In this area up we now have the following trees growing:
